

Growing knowledge in: Composing in MUSIC

Branching out

I am becoming more skilled in improvising using tuned and untuned instruments. I can compose musical phrases to create music that has a beginning, middle and end. I can play staccato and legato effectively.

Growing more

I enjoy creating music to represent an event such as a rocket launch, a car race or a storm. This includes improvising using musical instruments as well as technology.

Growing

I can use instruments to create sound effects and short sequences such as a rainstorm, a train journey or a seascape. I like to combine sounds to tell a story, using instruments as well as technology.

I enjoy exploring different percussion instruments to make music which I can dance to and perform by myself or as part of a group. I can take turns playing, waiting for my solo turn and joining in at the same time with others.

Foundation (securing the roots)
