

English

Key texts: *We're Going on a Bear Hunt*
(Miss Johnson)

Elmer (Miss Procter)

We are focusing on listening to, understanding, and immersing ourselves in our story. We are aiming to apply our phonic knowledge, say out loud what we are wanting to write, and leave spaces between words. Our children will also access their regular SALT sessions where applicable.

Maths

Our main focuses for this half term are addition and subtraction (Miss Procter) and number recognition and shape identification (Miss Johnson).

RE

The religion we are focusing on this half-term is Judaism. We will look at the Jewish festival Hanukkah.

Art and DT

This half term our focus is DT. We are exploring paint and colouring mixing.

The Lighthouse

Autumn 2

Music

We follow the SEND Charanga scheme and we also have a weekly TACPAC session.

Geography and History

This half term, our focus is **history** and our topic is 'How have toys changed over time?'. We will look at toys from our life time and before our life times and how they have changed over time.

PSHE

Our topic for this term is 'what makes me special' We will be developing our sense of identity and celebrating our individuality; focusing on what makes us unique.

Physical Development

In P.E., our topic for this half term is 'Fundamentals' from GetSet4PE.

We will also be working on developing our gross motor and fine motor skills within class to help us with our pencil control.

Science

Our topic for this term is 'animals including humans'. We are aiming to name and identify a range of reptiles, mammals, fish, amphibians and birds.

We are also aiming to name and identify basic parts of the human body and relate this to our senses.
