

English

The children will have daily phonics sessions following our new phonics scheme, Little Wandle. They will also take part in 3 small group reading sessions per week.

This half term we will be reading an array of high-quality texts, such as 'Where the Wild Things Are' and 'Peace at Last.' During English lessons we will focus on clearly segmenting words to spell and using finger spaces to separate words.

Maths

This half term we will focus on Number. We will learn about Place Value (within 10)

This includes:

- Sorting objects
- Counting objects
- Representing objects
- Recognising numbers as words
- One more than/One less than
- Less than/greater than

Computing

We will develop our understanding of technology and how it can help us. They will start to become familiar with the different components of a computer by developing their keyboard and mouse skills. Learners will also consider how to use technology responsibly and think about how we feel in different online scenarios with regard to e-safety.

PE

Wednesday- we will take part in Makaton Dance sessions with Mrs Melling.

Friday- We will explore the fundamental skills of balancing, running, changing direction, jumping, hopping and skipping.

Science

Our first Science topic is 'Seasonal Changes.' This will focus on how summer changes into autumn, as well as identifying the weather and other features we notice.

Year 1 Autumn 1

RE

We will be investigating what is meant by a faith community.

PSHE-Fun Times

We will learn about food that is associated with special times, in different cultures. As well as about active playground games from around the world and why they are important and about how to stay safe in the sun.

Geography

Our geography and science topics are closely linked this half term, as our topic will be Weather and Climate. We will be identifying weather patterns and hot and cold areas of the world.

Art

We will be focusing on developing our sculpture skills, thinking carefully about our

Music

We will be following our Charanga music program and thinking carefully about finding and following the beat/pulse of the music. As well as listening to music from the genre WESTERN CLASSICAL TRADITION AND FILM.
